September 23, 2021

Dear Superintendent Ryan,

The Board of Education commends the Academy for Information Technology, and celebrates with our entire School Community, the recent achievement of being named a National Blue Ribbon School for 2021. This prestigious award is a credit to all who work daily with dedication and commitment to our fine students. Due to the efforts of Mrs. Gialanella, Mr. DeFrancesco, all the teachers, counselors, students, and staff our mission of providing excellence in education has been nationally recognized. At a time when educators, students and families are challenged to put forth creative and extra effort in all aspects of performance AIT has risen to the top and we offer our congratulations and thanks to all.

We look forward to continued success for Union County Vo-Tech as we together provide outstanding academic and technical training to all students.

Very Truly Yours,

Jean Perkins, President
