Life Event**

## What is Relay?

Relay for Life is an event sponsored by the American Cancer Society where communities can come together to help stop cancer. At Relay, we remember the lives lost and fight back against the disease.

Teams will stay overnight and participate in various ceremonies and activities, while taking turns walking around a track in AIT. Relay is 12 hours long because cancer doesn't sleep, so neither do we. Join Relay for Life today to help our UCTECH/AIT community cruise for a cure!

## Fundraising Tips

1. Start today! Don't wait until the last minute to begin your fundraising.
2. Ask friends, family, or anyone else that you know!
3. Ask businesses in your area to sponsor our event.
4. Complete activities such as having bake sales, canning outside businesses, and shoveling snow for money.
5. Use social media to spread the word!
